Convenor's message

I hope you are enjoying this glorious weather? Have any of you had the opportunity to play outdoors? If you have why not let us know about it. Send a photo and a few words and we'll publish them in the newsletter.

It is nearly time to renew your membership. Do see below to check out the many benefits of being a member. For example, Mary's Skills' Session on Finger Placing for Steady Players on Zoom last month was free to members. It was excellent with something for every level of harpist. In addition HNW supports the many Playing Groups that are dotted around the area. These give harpists of all levels a wonderful chance to play together. Check out the details at the back of the newsletter and on the website.

The HNW Performance Group Plus enjoyed playing at Gatesbield Quaker Housing Association in Windermere. We were well sheltered from the sun on a beautiful day. Kaye and I played at the NT's Dalton Castle, a lovely and fascinating venue. The Performance Group will also be playing in Cockerham Church on 9th June, a free concert.

Hoping we'll meet many of you at the Making Music Day at Leighton Moss on Sat 1st July and at the Summer Celebration in Barrow-in-Furness on 2nd July. I am really looking forward to hearing "There Were Always Going to be Owls' played live with Mike, Susan and HNW harpists. Hoping that our amazingly active Playing Groups will entertain us with a piece or two.

Happy summer harping. Gill

- Premiere of HNW Pachelbel Canon video (the live edit!)

We shall be playing:

NEW Post Beginner's Personal Best series ***NEW***

We are delighted to be launching our brand new HNW Post Beginner's Personal Best series, aimed at supporting new players on the harp, and a great follow up for those who have taken part in one of our Absolute Beginners' Workshops.

We commissioned Mary Dunsford to create a set of **16 videos**, covering **four modules of learning**, building up finger skills and musical playing along the way, with dedicated exercises and brand new pieces to really bring the best out of your playing and to support confidence in joining our playing groups too!

Cost: £45 for members and non-members, £30 for beginners who have taken part in an Absolute Beginners Workshop.

To purchase the package, contact events@harpsnorthwest.org.uk

Feedback from harpists following the Post Beginner personal Best series:

'I just wanted to thank you for this course, it was very enjoyable and built up nicely. It helped me focus on elbow and thumb position, and closing positions for all fingers, all of which have been weak points for me. Still work in progress as far as technique goes, but I feel as if I'm on a better track to fixing them!', M.

International 'Make Music' day

Make Music Day UK is an annual celebration of music-making that takes place in communities across the world on the 21st of June. Make Music Day builds on a concept started in France in 1982 – that a day each year should be dedicated to music, with no barriers to people playing and enjoying live performance – and has now spread to more than 125 countries.

HNW has booked the Holt room at **Leighton Moss** for **Saturday 1st July** for us to play and meet the public to celebrate international 'Make Music' day (which is actually Wednesday June 21st - but near enough!). This is an informal playing session where we encourage the public to listen to our playing and have a go at playing the harp.

Arrive 11:00, playing 11:30

All members are welcome to join us. If you'd like to come along to play or talk to people about harps, contact Ann Woolley on events@harpsnorthwest.org.uk

NEWS of Recent HNW Events

HNW Performance Group Plus at the Gatesbield Garden Party on the 20th May

What a lovely afternoon at Gatesbield Quaker Housing Association Garden Party today, Saturday 20th May. There were so many comments from people about how much they had enjoyed our playing and lots of interest in the harps. It was good to see a few HNW members there.

A big thank you to all you players for playing beautifully but also helping me out with sheet music when I realised I'd picked up my 'Mandy and Gill' folder and not the Gatesbield folder!! A lesson learned for me.

Everyone from Gatesbield was very helpful and very friendly and it was good to be playing outdoors on such a lovely day. The two gazebos worked very well to give us shade from the sunshine. It was a very special moment when we played 'By the Beck' especially for Gill Lowden's uncle in law, Peter, who was helped down to the area by the Gatesbield staff especially to listen. From what Keith Triplett, HNW member and resident at Gatesbield, said I think they will probably want us back next year. I have a feeling that there will be enough harpists who will be very happy to make a return visit. Gill

'We really enjoyed the concert at Gatesbield Garden on last Saturday. Weather was nice and music was beautiful. Tea and cakes were delicious too.'Binh and John (thanks for the photos, Binh)

'All things placing' Harp Skills Course with Mary Dunsford For steady players, Monday 15th May

Tutor Mary Dunsford led a special skills session for Steady Players, consolidating brilliant finger placing to play with fluent beauty! 'Somewhere over the Rainbow' and Kumbaya were used to demonstrate and practice placing. The comments show the course was well received.

Don't forget that the recording of this Skills session, **Finger Placing for Steady Players** is **still available**. Do get in touch if you'd like a copy.
